

PLASTIC: IMPACTS ON YOUR HEALTH, MARINE LIFE & THE ENVIRONMENT

Sunday 23rd October, 2011

5:00pm - 6:30pm

SoulTrex, Windward Mall, Kaneohe

An educational and inspirational presentation by B.E.A.C.H. Co-Founder, Suzanne Frazer on the issue of plastic in our environment and how it is both harmful to our health as well as marine life. Learn about chemicals in plastic, the impacts of marine debris on marine life and what simple steps you can take to protect your health as well as that of the environment.

Free and open to the public

Win door prizes including:
TEVA Gnarkosi Water Hiking Shoes,
donated by SoulTrex

Pupus will be served

*Arrive at the store before the doors
close at 5pm*
