Featured speaker, Captain Charles Moore will present “Zero Waste? The Ocean Can’t Wait!” The program will feature new research findings from the great North Pacific subtropical gyre, and ideas on how to deal with pelagic plastics which have become a plague on our oceans.

This free public event will include a panel of speakers, information tables, door prizes and refreshments.

Panelists: Regina Woodrom Rudrud, Maritime and Fisheries Anthropologist at the University of Hawai'i at Manoa, Donna Kahiwaokawailani Kahakui, Founder of Kai Makana, Suzanne Frazer, Co-founder of the Beach Environmental Awareness Campaign Hawai'i.

Free admission and parking

This event is part of Marine Debris Awareness Month, in celebration of the International Year of the Reef
